touch with New  
Libya Contacts and  
Operational  
Networking**

**Today's issues will not  
be solved with  
yesterday's thinking**

**Your Answer Yes**

## "Business PASS"

Your company is now interested in investing in Libya emerging market with high growth potential, but the local business community doesn't know your company well enough... nor do you know the local procedures and business practices. but you realize that you need both support and services for turning your plans into success, LIBYANINVESTMENT WEBSITE CO. FOR ELECTRONIC COMMERCE can help you with our "Business PASS" services.

# YOU WANT TO LOCALLY **P**PROMOTE YOUR COMPANY

You would like your people and your products or services to be better known by the local business community in your industry, LIBYANINVESTMENT WEBSITE CO. FOR ELECTRONIC COMMERCE can organize a local seminar for you... and help to get the local key players to attend!

When you want your people to have direct contacts with the local industry in their offices, we can organize commercial missions with selected visits secured.

We can also help promote your company through the media: adapt your brochures to the local readers, place advertisements in the relevant local publications, generate links between key local websites and your own company's website...

# YOU WANT TO GET LOCAL ASSISTANCE

You have decided to invest in the country and you want to get assistance to better understand the local regulations and procedures, or you want to be assisted in implementing the administrative steps requested by the local authorities, LIBYANINVESTMENT WEBSITE CO. FOR ELECTRONIC COMMERCE can be informative and/or instrumental in helping your people in the implementation of your projects. •

We can also provide you with a full range of pragmatic advice to avoid the classical local traps for those who are entering the country for the first time.

# YOU WANT TO GET LOCAL **S**UPPORT

Once you've reached the stage of pragmatic implementation of your plans, you need local logistical support: identification of an appropriate office, acquisition of well adapted equipment, connections with the local power grid and telecommunication network, transportation facilities... LIBYANINVESTMENT WEBSITE CO. FOR ELECTRONIC COMMERCE can help you overcome those initial challenges.

You now have to optimize the working conditions of your expatriate experts by providing them with accommodations, financial transfers facilities, sport and leisure opportunities... we can provide you with the support you need for solving those permanent challenges.

When you have to staff your local entity, and you want to be helped in addressing the local labour market, LIBYANINVESTMENT WEBSITE CO. FOR ELECTRONIC COMMERCE can identify and select with you those staff members that you need.

# YOU WANT TO GET LOCAL **S**ERVICES

To make sure that your a priori strategy fits perfectly with the local business •  
environment, you may want to study its requested adaptations,  
LIBYANINVESTMENT WEBSITE CO. FOR ELECTRONIC COMMERCE can help  
you build a join task force between some of your own expatriates and some selected  
local experts.

Once you have established a base in the country, you may want to get some more  
permanent local services from different companies (law and tax offices, marketing and  
consulting specialists, human and technical resources management...) with a deep  
knowledge of the local context, LIBYANINVESTMENT can identify and select  
according to your own criteria those services companies with appropriate local  
capabilities and sufficient international exposure.
